

- H1 MountingHole
- H2 MountingHole
- H3 MountingHole
- H4 MountingHole

Suggestions
 For +5V regulator: EZSBC PSU2-5 (1A) or PSU5a (3A)
 For -5V regulator: RECOM R-78CK5.0-0.5
 For 12V: this is passed straight through so ensure you use a regulated +12VDC supply rated at 3A or higher
 Fuse: 4A slow blow M205
